### DEATHS.

#### MRS. ANNIE C. BRENZER

wife of Dr. Brenzer, died, Sunday June 17, 1906, at the home of her son, L. A. Brenzer, three and a half miles east of Miami in her 67th year.

Funeral services were held at the Harmony Presbyterian church Tuesday afternoon, at 2:30 o'clock by L. F. Clemens, of Marshall, and the remains interred in the Harmony cemetery.

The husband and eight children survive her; they are Mrs. Gus Weber and Mary E. Brenzer, of Kansas City; Mrs. Clara Nolan, of Lamar, Washington; Zine B., George B., Annie K. and L. A. Brenzer, all of this place.

This good woman had lived in Miami township only a short time, but had endeared herself to all who knew her. She was a member of the Methodist church and lived a christian life. This is the first time the death angel has visited this home, and the wife and mother will be sadly missed. The family have the sincere sympathy of many friends to whom they have endeared themselves during the short time which they have been in this community.—Miami News.

#### HAROLD W. SCHACHT

beloved son of Chas. and Emma Schacht of Puchontas, Ill., was born March 1, 1893, and fell asleep in Jesus Friday evening, June 22, 1906 at 6.10 p.m. at the early age of 13 years, 3 months, 21 days.

Harold's illness dated from the first week of December and through all these long months his loving disposition, his courage, patience and hopefulness have brightened the sick room, and the home is now desolate because of his departure, but his mission in life is early fulfilled and he is gone to his perfect home, where no pain, sickness nor sorrow ever comes to blight the bright promises of a beau-

tiful childhood.

He was a regular and faithful attendant at the M. E. Sunday School. At day school he was unusually bright, attentive and studious.

The surviving members of his family are his father, Chas. Schacht, two brothers, Rev. C. T. O. Schacht of London Mills, and Otto Schacht, of St. Louis; three sisters, Miss Emma Schacht of London Mills, Mrs. J. J. Witt, of Marshall, and Mrs. J. W. Beeson, of Sorento, Ill.

All that loving hearts and willing hands and skilled physicians could do for him during his sickness to alleviate his suffering and restore him to health proved unavailing, for it was his Savior's will that he come up higher.

L. W.

#### WILLIAM CHURCH

died at his room over Chamberlain's restaurant at 12:15 Tuesday, of dropsy of the heart, after a week's illness, aged about 23 years. His remains were laid to rest in Mt. Olive Wednesday at 10 a.m.

He has been working in the Mt. Olive neighborhood for some years. He was an orphan and was brought here by Mr. Yeager, who died some time ago, from New York. He was an industrious good young man whose death is deeply regretted.

#### WM. M. McAVINNEY

of Potosi, Mo., died at the colony Wednesday noon of facial erysipelas, aged 28 years. Burial at the colony this forenoon.

A small child also died at the colony Wednesday.

#### Big Fair

Slater has decided to show what she can do in the way of a fair this year and is raising a big sum of money among its live business men to be used in free entertainments, etc. We are requested to hold back our fair news till next week, but we can promise a surprise in that city's enterprise.

## MASON & HESS

A New Live Stock Commission Firm.

The many farmers of Saline who ship cattle will be rejoiced to learn of the organization of a new firm in Kansas City whose honesty, ability and fairness is too well known for comment.

William B. Hess, who has for many years been doing the largest mercantile business in Saline with his brother, Sam, under the name of New York Racket, is the junior member. U. G. Mason, who is well and favorably known here and a life-long stockman, is the other member of this firm. They last week bought out the Star Commission Co. and will succeed that firm, with offices at 377 and 378 Exchange Building Kansas City, Mo., commencing business July 1st, (next Monday.)

Mr. Hess will have charge of the office and be the general manager of affairs, while Mr. Mason will look after the purchasing, selling and other outside business.

They will handle cattle, hogs and sheep. We bespeak for them the solid support of Saline, knowing that they will continue to live up to their past record and way of doing business. It will be to the interest of our people to deal with them.

#### Supplement in Colors

Several months ago we contracted for a four-page colored supplement for a year. In order to be on the safe side, we made the number low. Our subscription list on the other hand has increased and the company from whom we secure the supplements claim their capacity is taxed to its utmost and they can not increase our order. So we have decided to give our mailing list a thorough cleaning by cutting off enough delinquents to be able to supply all our readers. The first issue with the supplement will probably be July 27 and with that issue your paper will stop without further notice if you are too far in arrears. (July 27)

#### Open Air Services

Rev. J. M. Hubbert will conduct open air services on the court house lawn, or other convenient public place, next Sunday evening, beginning at 6 o'clock. Mr. Hubbert will deliver his sacred lecture entitled, "Bible Description of the Model Woman." Good music, comfortable seats. Everybody welcome. Ladies especially invited.

#### Cut Your Weeds

There is considerable complaint about the big weeds along the walks, back yards and empty lots. It would be well to have them cut to such an extent at least so that the ladies can go anywhere without getting their dresses wet from the weeds after a rain.

#### Keyton vs. Hire

The case of Lester Keyton vs. Elery Hire brought here from Sedalia on error was tried before Squire Chase in his office Tuesday afternoon. The defendant, Hire, made no defense but permitted himself to be bound over to the next term of the criminal court under \$500 bond.

The case grew out of a forged check bearing the fictitious name of D. C. Brown and the endorsement of Lester Keyton and Elery Hire and was cashed by the latter at J. F. Elsner's. When the check proved worthless Hire returned the amount to Mr. Elsner but still claimed that he had received it from Keyton. Mr. Keyton on the contrary, says he never heard of the check until later and that his name was a forgery and had Hire arrested for this offense.

#### Serious Accident

Last Sunday week while Mr. and Mrs. John Railey and two daughters were driving down the hill near Geo. Fenwick's on the Cretcher road the tongue of their surrey accidentally fell and the horses ran away. The occupants were thrown out and Mrs. Railey had her right leg broken just above the ankle, while Mr. Railey was also severely bruised. Dr. Jackson of Herndon was called and looked after their injuries and Mrs. Railey is about well again.

#### First M. E. Church

Sacramental service in the morning. Sermon, "Some appointments of Jesus." Evening, "Possession and Service." Special music morning and evening. All welcome.

#### Need a Necktie

F. W. Miles, the grocer, in handing us his adv. this week said: "If a single man brings in ham or shoulders and mentions the Republican I'll give you a new necktie." We want the tie!

#### Among our Readers

T. T. Claycomb of Herndon has our thanks for renewal this week. T. J. Johnson, of the same place, will read Republican literature for a year through the kindness of a friend.

Edward Blakely, of Cretcher, will try the Republican awhile.

R. P. Stolsworth, of Shackelford, thinks he can stand a good paper another year and will read the Republican.

J. R. Hutton was down from Waverly Saturday and handed us a dollar for the Republican.

#### Plating Works

### HOGS

When the trade opened an extra good demand prevailed for the best heavy hogs, local packers and butchers wanting them, besides order buyers and requests from eastern points for them, regardless of price, consequently they sold readily and close to 5c higher. Real good 150 to 180 pound hogs were also wanted by shippers and they showed close to a 5c advance. Extra good medium weights to butchers were also better. The market on the average run of packing hogs and mixed kinds were no better than steady, and at 11 o'clock they were slow sale and not quite as good as steady. Pigs and lights that were not good were slow sale at barely steady prices, while "pewees" were said to be lower. Quality and well fattened is the kind of hogs wanted, and buyers are willing to pay for them.

The top was \$6.75 for the first time in many months, and the bulk of the hogs over 150 pounds went from \$6.65 @ 6.65. Best lights under 180 pounds sold at 6.65 and the best under 100 pounds sold at \$6.50, with the bulk of 100 to 150 pound kinds going from \$6.25 @ 6.40.

One of the most delightful and restful spots to be found anywhere is at McAllister Spings, about 20 miles southwest of Marshall. The best and largest hotel in the county is kept there and rates are reasonable. A great many have told us that they "expect to go there" for a rest but few have dared to "break the ice." The place is right at our doors, and Mr. and Mrs. Hallenbeck will see that you will have the best time of your life fishing, hunting and bathing. You will also find many young people there from Warrensburg, Sedalia and Sweet Springs.

J. M. Houston drove down from Grand Pass to see J. I. Penveler yesterday. He reports Mr. Penveler a little better, we are pleased to say.
